Page 2, between lines 15 and 16 INSERT a new Finding of Fact No. 8 to read:

"8. We disagree with Staff's recommendation in Finding of Fact No. 6 and find that treating payments received from Schedule 3 as revenue, rather than CIAC, will best serve the Commission's intent in Decision No. 69663 to shift the burden of rising distribution infrastructure costs away from the current customer base to growth. Therefore, we will direct APS to record such payments as Miscellaneous Service Revenues."
